Professional Experience

American Greetings, Cleveland, OH

12/2016 - 6/2026

Greetings and Celebrations company that serves physical and digital greetings.

Software Engineer 2 | 5/2022 - 6/2026

- Launched accessibility initiatives for over 40+ digital greetings, creating timelines and requirements to update and convert old products to comply with accessibility guidelines
- Advised developers, artists, and business owners in accessible product design decisions based on WCAG guidelines
- Developed new digital greetings using Vue.js with a focus on frontend layouts

Technical Lead of Digital Ecards | 2/2020 - 6/2026

- Led the production of over 40 digital greetings, from asset conversion, development, to deployment.
- Interviewed, hired, and mentored interns & new hires throughout the year to produce and deploy live products.

Software Engineer 1, Technical Artist | 5/2017 - 4/2022

Associate Software Engineer | 12/2016 - 4/2017

- Developed expressive digital greetings with Flash, JavaScript, and 2D and 3D animation frameworks
- Assisted in the production of an in-house digital greeting library and template to simplify our SDLC.
- Communicated closely with artists to convert assets into spritesheets for 2D interactive greetings with optimization in mind
- Mentored and managed interns and the Intern Hackday during the Summer.

Education

Bachelor of Science, New Media Interactive Development, Rochester Institute of Technology, Rochester, NY

Volunteer Experience

Comic Flatter Assistant | 2024

- Utilized Clip Studio Paint for fast and efficient color flatting

Lead Coordinator | 2018, 2020

- Headed anthologies for print, handling layout, social media, finance, and merchandise distribution
- Managed pieces of contributor work under deadlines from preorder dates to distribution dates
- Handled emergency scenarios with contributor or merchandise issues

Print Layout Editor | 2018, 2020, 2022

- Headed the primary outlining, planning, and editing of print media layouts for artwork, short stories, and recipes for 4 anthologies using Adobe InDesign
- Worked with at least 30 artists and writers on content to ensure the most optimal view of their work in print media
- Created two types of print media for US and international distribution

Finance and Distribution Coordinator | 2018, 2020

- Coordinated the distribution process of print/web media and physical merchandise, ensuring cost-effectiveness and timely solutions under preset deadlines
- Handled financing of preorder sales of print/web anthology and physical merchandise
- Packaged print media and merchandised and handled shipments to several domestic and international buyers

Convention PR & Media Staff | 2015 - 2020, Rochester NY

Performed as both Media Manager and General Staff as a volunteer for a local college convention

- Worked with other artists and PR persons within the Social Media team, creating assets under post deadlines
- As Media Manager in 2015, handled the creation of printed media under deadlines and estimated budget
- Acted as floor volunteer throughout various years, handling general staff responsibilities
- Created tooling to accelerate badge production with Adobe InDesign
